

ERGONOMICS ON-DEMAND! 2025 - FAQ

What is new and different in the 2025 Ergonomics On-Demand program?

- More flexibility in programming so you can customize your learning experience
- More case studies to facilitate learning.
- More tools for your ergonomics toolbox – including more worksheets and checklists
- All new Ergonomics Implementation track, which includes step by step training on how to develop and deliver dynamite training.
- We've reorganized the program and have added nearly 2 hours of content to the full program.
- Earn 10.75 contact hours for your U.S. Physical Therapy, Occupational Therapy or Athletic Trainer license.

How much does the Ergonomics On-Demand! Manufacturing and Office Ergonomics program cost?

The full program costs \$499 (WorkWell Easy Train Members – see below). The full program includes all 4 tracks: Introduction to Ergonomics, Office Ergonomics, Manufacturing Ergonomics and Ergonomics Implementation and provides you with necessary tools, forms and resources to progress in your ergonomics journey.

I am only interested in doing training in Office Ergonomics. Is that possible with the new Ergonomics On-Demand?

Yes, Ergonomics On-Demand! Office Ergonomics can now be purchased as standalone training. So, if Office Ergonomics is your focus, you have the option to complete only that training. Your purchase will include necessary forms, tools and resources to complete work, home and mobile office ergonomics assessments, as well as virtual tele-assessments. The Ergonomics On-Demand! Office Ergonomics program will be available for \$199. (WorkWell Easy Train Members – see below).

I previously purchased and completed Ergonomics On-Demand! Manufacturing and Office Ergonomics program.

What am I missing out on with this enhanced program?

We are so grateful for your previous participation with this training and we don't want you to miss out on the upgraded introduction to ergo, office and manufacturing ergonomics content updates! We will plan to provide those for you for FREE. Simply email provider@workwellpc.com with your request for the update and we'll enroll you.

For the all-new Ergonomics Implementation track, we will be able to offer that to you for a modest fee. You will be able to purchase this track in the WorkWell Provider Learning Center for \$69.

Are there any discounts available for Ergonomics On-Demand! Manufacturing and Office Ergonomics Program?

Yes! If you work for a facility that has a WorkWell Easy Train Membership (in the US/Canada), you will be able to purchase these programs at a discounted price as follows:

- Ergonomics On-Demand! Manufacturing & Office Ergonomics Program - \$459.
 - Ergonomics On-Demand! Office Ergonomics Program - \$159.
- Facilities that have 5 or more people to train may be eligible for an additional discount. Please email provider@workwellpc.com for more information.

How do I purchase the Ergonomics On-Demand! Programs?

It's easy! If you already have a WorkWell Provider Learning Center account, log in, select your course or Learning Plan from the catalog and purchase using a credit card. Start learning right away!

If you do not yet have a WorkWell Provider Learning Center account, request your free account so you can log in and purchase the program. Email provider@workwellpc.com with your name, professional designation and facility name/location and we will get your account set up.

***Note:** If you are a WorkWell Easy Train Member, and the discounted price is not showing up in your WorkWell Provider Learning Center account, please email provider@workwellpc.com so we can help!
